

Fastening solutions. Fast.

TFC Europe Ltd offers complete fastening solutions; the single source for all your product and supply chain needs.

Our reputation has been built on the quality of our products and the level of our technical and logistic services. Our mission is to provide an outstanding contribution to our customer's success by supplying innovative products and services in all areas where we can add value and help improve their business.

Bringing it all together

We offer supply chain expertise using the latest industry methods, which means we provide a truly global supply and distribution service to maximise your business productivity and promote efficient cash flow: from reducing your supplier base, offering product expertise, tailored systems, sophisticated parts selection and fast delivery.

Some of the markets we supply

Engineering

Automotive

Construction

Rail

Aerospace

Electronics

Oil & Gas

Agriculture

Our quality assured fasteners are guaranteed to provide the perfect solution to your fastening needs.
